President's Report

We are in the final stretch of the school year and what a great year it has been! We had the most successful fundraiser in the history of the MC JROTC program, which has allowed us to fund a lot of different programs this year. We have finished the brick walk with all outstanding orders and can now take an order and engrave and install within a weeks turnaround time – AWESOME! We are sending cadets to numerous camps and leadership courses over the summer and will be starting our Adopt-A-Highway clean up community service program this summer! Our cadets have taken on skills and positions both within the classroom and outside that have made us all proud to be associated with them. Keep up the hard work and lets finish strong! Hoorah!

Treasurer's Report

We are on track to finish up the school year with a small balance to carry over to the new school year – which is great. We have been good stewards with our money and thank each and every one of you who helped to make this a successful year!
